OBJECTIVE

To provide travelers with an authentic and immersive experience of India's diverse landscapes, cultures, and traditions. Our aim is to curate travel itineraries that showcase India's iconic landmarks, historical sites, and natural wonders while promoting sustainable and responsible tourism. We strive to offer personalized and enriching journeys that allow travelers to connect with the local communities, explore hidden gems, and create lasting memories.

ACKNOWLEDGMENT

We would like to express my gratitude to all the people behind the screen who helped me to transform an idea into a real application. We extend my thanks to Project Co-ordinator V. Sharmila bhanu for smooth completion of Project Seminars. We profoundly thank Dr. Shashikala devi, Head of the Department of Computer Science & Engineering who has been an excellent guide and also a great source of inspiration to my work. The satisfaction and euphoria that accompany the successful completion of the task would be great but incomplete without the mention of the people who made it possible with their constant guidance and encouragement crowns all the efforts with success. In this context, I would like to thank all the other staff members, both teaching and non-teaching, who have extended their timely help and eased my task.
